

WORSHIP WITHOUT APOLOGY

#5 Deliverer

Verse

Your love has often pulled me through
Without Your grace in my life
I wouldn't know what to do
Your hands they catch me when I'm falling
And You deliverer my soul
Yes, You restore my soul

Chorus

So I worship You
My deliverer
Everything I have is Yours
I sing praise to You
My deliverer
For You deliver my soul
Yes, You restore my soul

Vamp

Thank you
Thank you
Thank you
You are my deliverer
