

WORSHIP WITHOUT APOLOGY

#11 Desperate

Verse

One thing that I have realized
One thing I know to be so true
Lord I cannot make it without You

All of my hopes and dreams would die
All of my works and plans would too
If my life is not lost in You

Bridge

Lord You are everything
so much more than the song that I sing

Chorus

You are my God
You are my God
You are my God
Lord, I'm desperate for more of You

All I really need is You
All I really need is You
All I really need is You

Vamp

I am desperate for more
I am desperate for more
Lord more of You
I am desperate for more
I am desperate for more
Lord more of You

I need more
Lord more of You

Lord I cannot make it without You
