

# **WORSHIP WITHOUT APOLOGY**

## **#2 Grateful People**

### **Chorus**

Show me the grateful people  
Where are the grateful people?  
I need to know where I belong  
Cause I'm one of the grateful people  
Repeat

### **Verse**

For the early morning's rising  
Just to see another day say  
**I am grateful**  
For life health and strength  
For every way He's made you oughta say  
**I am grateful**  
For keeping me from dangers  
that were seen and unseen I wanna say  
**I am grateful**  
For looking past every one of my faults  
And seeing all of my needs  
**I am grateful**

### **Bridge**

If it had not been for the Lord who was on my side  
Just don't know where I'd be  
You don't have to know the whole story  
Just know that my God's been good to me  
If you agree then help me say

### **Vamp**

For waking me up this morning  
Thank you  
Starting me on my way  
Thank you  
Clothed in my right mind  
Thank you  
You brought joy along the way

Grateful people  
For life, Health  
Thank you  
Joy you gave to me  
Thank you  
You broke all of my chains  
Thank you  
Gave me the victory  
Grateful people

Yes, I'm so grateful (x3)
