

## **WORSHIP WITHOUT APOLOGY**

### **#9 I Remember (Communion Song)**

#### **Verse**

On this Holy special day  
Lord I really want to say  
that I  
Give my gratitude for all the things You've brought me through  
I remember, I remember

How Your blood was shed for me  
When You died to set me free  
How You  
Suffered on the cross  
so that my soul would not be lost  
I remember, I remember

#### **Chorus**

Now I remember the blood You shed for me  
Now I receive, I am healed, restored, delivered  
And have life abundantly

#### **Vamp**

And have life  
I have life (Repeat)

I have abundantly
